

ASSEMBLY BILL

No. 421

**Introduced by Assembly Member Williams
(Coauthor: Assembly Member Bocanegra)**

February 15, 2013

An act to amend Section 88643 of the Education Code, relating to economic development.

LEGISLATIVE COUNSEL'S DIGEST

AB 421, as introduced, Williams. California Community Colleges Economic and Workforce Development Program: Job Development Incentive Training Program.

Existing law, until January 1, 2018, establishes the Job Development Incentive Training Program as a component of the California Community Colleges Economic and Workforce Development Program. Existing law states the intent of the Legislature that the Job Development Incentive Training Program provide training on a no-cost or low-cost basis to participating employers who create employment opportunities at an acceptable wage level for the attainment of self-sufficiency by specified aid recipients and low wage earners. Existing law requires a community college that participates in the Job Development Incentive Training Program to inventory its local or regional business community, including nonprofit organizations, and identify industry-driven needs and employment opportunities with a goal of attaining self-sufficiency through workforce reentry, continuous employee training, and skills upgrades.

This bill would make a nonsubstantive change to the latter provision.

Vote: majority. Appropriation: no. Fiscal committee: no.
State-mandated local program: no.

The people of the State of California do enact as follows:

1 SECTION 1. Section 88643 of the Education Code is amended
